

September 2024

Dear families

The Bradford Central Foodbank Harvest Donations

We are taking part in **Harvest Appeal 2024** to help the Foodbank this Harvest to ensure they can continue to provide food for people in crisis.

The academy has been partnered up with the Bradford Central Foodbank over the past 4 years to ensure families in need continue to have access to food which is especially vital during the ongoing Cost of Living Crisis.

The Foodbank is feeding 1000 people a month and needs our support to ensure sufficient supplies are available.

Please donate as many of the following items as you can by bringing them into the academy on **Thursday 3 October and Friday 4 October**. We are unable to accept donations before / after this date due to storage restrictions:

Thank you for your continued support.

Yours faithfully,

Miss Brown
Personal Development Pioneer
