

English

- Students will be writing a character description about Plop from our Reading Reconsidered novel. Focusing on capital letters, full stops, conjunctions and expanded noun phrases.
- Students will then write an information text on how to stay safe in the dark – focusing on adjectives and questions.

Computing

- Online Safety – Students to explore search and share functions
- Spreadsheets – Children to input data into a table and create a chart.

Maths

- Addition and subtract 10s, 10 more and 10 less
- Add and subtract two 2 digit numbers with and without regrouping.
- Shape – recognise and name 2D and 3D shapes
- Recognise lines of symmetry, count faces, edges and vertices on a 3D shape.
- Sort 2D and 3D shapes.

Art

- Experimentation.
- Using various materials such as paint, pens, charcoal and oil pastels.

Year 2

Science

- Materials – what are the different properties of materials?
- How can some materials change?
- Why are materials used for different purposes?
- What is recycling and why is it important?

Humanities

- Our local area – What are maps?
- What physical and human features are in Little Horton?
- What do human and physical features look like on a map?
- What is a compass?

Music

- Performing rhythms to a steady pulse
- Representing rhythmic patterns

RE

- Christian celebrations:
- Story of Christmas, Lent, Easter, Good Friday, Palm Sunday and harvest
